Arrive in Rome two nights early and immerse yourself in the history of the Eternal City. Your included Colosseum tour is the perfect introduction, with time left to explore the Spanish Steps, toss a coin in the Trevi Fountain, wander Trastevere and soak up the atmosphere of a city where every corner tells a story.

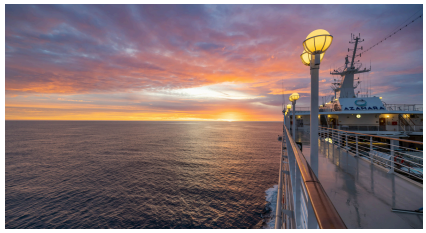

Then board Azamara Onward for a 10-night journey along the northern Mediterranean, with a different port to discover each day. Sail first to Portoferraio on Elba, where Napoleon spent his first exile, before an extended overnight stay in Livorno opens two full days for Florence, Pisa, Chianti and the Cinque Terre. Continue along the Italian Riviera to Portovenere and elegant Santa Margherita Ligure, then on to Monte Carlo, Marseille and the landscapes and flavours of Provence. Calls at Sète, a charming canal town and working fishing port, and Palamós on Spain's rugged Costa Brava complete the voyage.

After disembarking in Barcelona, enjoy two final nights in one of Europe's most vibrant cities. Your included Hop-On Hop-Off bus pass makes it easy to discover highlights including the Sagrada Família, Park Güell, Las Ramblas and Barceloneta.
