Holiday Overview

From Iguazu's thundering cascades to Machu Picchu's ancient heights, this journey spans Brazil, Chile and Peru, elevated by a Holland America Line cruise.

Begin amid the roaring waters of Iguazu Falls, spanning the border of Brazil and Argentina, where fully escorted touring reveals one of the world's great natural wonders. From here, explore Rio de Janeiro's iconic coastline and the elegant boulevards of Buenos Aires before setting sail. From there, embark Nieuw Amsterdam for a scenic voyage south through the dramatic Chilean fjords, gliding past glaciers and narrow channels, where towering peaks and untouched wilderness create some of the most memorable scenery of any cruise.

Journey's end brings the wonders of Peru, from the sun-drenched Sacred Valley to the storied heights of Machu Picchu, a fitting finale to a holiday that traces some of South America's most extraordinary sights.
