Begin in Lisbon with two nights in one of Europe's most photogenic capitals. A tuk tuk tour is a fun way to explore its steep lanes and viewpoints, with tiled facades, rattling trams, pastel de nata and the sound of fado setting the scene. Then board Mariner of the Seas for a 21-night Mediterranean journey, with favourites including the FlowRider surf simulator, Perfect Storm water slides, Playmakers Sports Bar and live entertainment.

Sail to Casablanca and Tangier, then continue to Malaga, Palma de Mallorca and Barcelona. Visit Toulon and La Spezia before calls at Rome and Salerno, gateways to the Eternal City and Amalfi Coast. Continue east to Ravenna, Koper and Dubrovnik, followed by Mykonos, Rhodes and Santorini with their whitewashed villages, rich history and spectacular Aegean scenery.

Finish with two nights in Athens, including an evening in Plaka with traditional Greek dancing and a three-course dinner, a fitting finale to your Mediterranean adventure.
